## Schedule of Penalties

*September 2014*

**When a team accrues a total of 10 penalty points, one league point will be deducted. Any penalty points over 10 will be carried forward after the league point is deducted. e.g. a team with 9 points accrued will have lost no league points, but if that team then gets another 5 point penalty, a league point will be deducted, and the remaining four points will carry forward. Should a further 6 penalty points be accrued, another league point will be deducted, and so forth.**
